

2026 CUSTOMS VALUE REFERENCE VEHICLES - BENIN (ENGLISH EDITION)

2,253 simulation reference values - by make, model and year

The English edition of our professional reference book: for each make, model and year, the simulation reference value and the duty to budget under the 2026 schedule (IM4 home use). The attached CSV file contains the COMPLETE reference (2,253 entries). The following pages show the most popular models.

How to read: find your model and year -> reference value -> duty to budget. 'Floor' = regulatory minimum value applied (1.5M cars / 2.5M trucks). \$1 = ~560 FCFA.
